Kapture Headwear

About Us

Young entrepreneur, Mr. SagarPania, based at Mumbai, who has more than ten years in corporate world, and has handled various businesses, at multiple positions, right from marketing, to sales, to handling business as proprietor. He is a commerce graduate from Mumbai University and participated in various functions during his academic tenure at schools and colleges. He is also international cricket player, and has played various other sports, at club level. He has a vision to bring uniqueness in the headwear industry. With his strong desire, and mission to create CAP CULTURE across the Globe, he went on to introduce, Kapture Headwear to the world.

Headwear Industry is highly growing industry across the world. Be it Corporate events, or Sports, or any Industry get together, even Global events, Cap is certainly an apparel which forms an important part of overall wear both for Men and Women.

With this unique identification of huge potential to grow CAP as an important element in our everyday life, Kapture Headwear, is now right in the global market, to design, develop, manufacture, and supply, Caps which suits particular needs, and as the customer says, Meeting their Unique Wants, Desires, and Needs.

Located at Mumbai, Kapture Headwear started its founding operations in May 2017. With strong hold on the Quality, which Kapture highly relies on, and has built it its strength. It continues to wow the customers through unique processes and highly capable manufacturing capabilities, to meet the demands, no matter what their limits are. Kapture headwear has world class manufacturing facility with latest equipments, to help make best product in the whole world.

Kapture Headwear is certainly an Institution, where Innovation and Uniqueness as well as Talent are mix blend under one umbrella.

We stand strongly with our highly capable manufacturing capabilities, and even customize the product according to the customer's demands.

Kapture Headwear is certainly to create and build uniqueness in the market, and that too Globally. It strongly believes in creating its unique place, through creating and diversifying "Cap Culture" in the Global Markets.

Starting its operation through OmtexHealthwear Pvt. Ltd. Kapture Headwear has quickly gained competence in the market and the company's customer base has started broadening up in market currently.

Being Mumbai as Nucleus, The Kapture Headwear, has capabilities to serve markets anywhere Globally.

Though new in the business, but with strong team of men and women, who are expert in bringing innovation in life, Kapture Headwear, is highly capable to deal with the Headwear Business Ups and Downs.

Customers are delighted, which is the main purpose of the company itself. Developing and creating products whose needs are already their in the market but have been less tapped, the company desires to build service and products which serve this very needs and wants and desires.

Be it Sports, or Fashion, creating a culture which remains longer through manufacturing and designing caps is what is the main goal and purpose of Kapture Headwear, We strongly believe in making difference through, "Cap Culture"

Globally around thousands of events takes place, in today's globalized world, people meet people, and give ever lasting impression of their respective culture. We have an aim to globalize the cap culture, and make Kapture – Creator of Cap Culture as unique voice in the markets globally.

Making difference through playing with fabric, is our core strength.

Our Vision

To create “The Cap Culture” through passion of playing with fabrics

Our Mission

To serve the global markets, and bring innovation in the field of Headwear.

We strongly believe in Our Vision and Mission statements, and these are our core strengths through which we would like to make our place, and keep serving the mankind as long as mankind is serving the Mother Nature and themselves.

Life without a Cap is certainly a Cake without cherry top!!

We strongly believe that Caps have unique place in the apparel which we wear day or night. Its because of these reasons that's caps are sold even in apparel stores.

We believe to introduce a culture where one day Caps would have their own unique place in markets and unique stores globally where the customers get delighted through Quality Caps.

USP of KaptureHeadwear, is to build best than the rest, through latest and top notch equipment's and gadgets at its manufacturing facility.

Hip Hop Cap

Hip Hop Culture came into existence in 1980's and 1990's. The rappers of that time became iconic symbol in the world of music and entertainment. The Hip Hop brought with it not only the new culture of songs, but also wearable's. Singers were looking for some unique style. During the earlier times, caps from LL Cool J and Kangol Bucket Hat became popular wearable by the singers. This gave birth to new style of caps. Later in 2000's the Hip Hop culture again became popular wide spread across the world. Many manufacturers came with unique hip hop hat styles. The singers who weared these caps became popular as Hip Hop Cap and later the whole Hat Industry had new style of Hats to be manufactured and put on sale for people and singers across the world.

Kapture Headwear is fully equipped in manufacturing Hip Hop Caps.

We are fully accustomed in manufacturing Hip Hop caps, of all sizes. We accept bulk orders and are fully equipped to manufacture Hip Hop caps and supply anywhere in the world.

We use imported fabric material to manufacture these types of Caps

We manufacture Caps in 5 / 6 panels and give wide range of options to choose from. The professionally trained professionals and latest machinery helps us to even accept customized bulk orders.

We have our USP as Style with Perfection.

We are mainly a bulk order manufacturer and supplier and capable to deliver orders anywhere in the world. Our nucleus is in Mumbai, but we are few headwear players in the market, who think and work globally but act locally.

So,

Inquire us today !!and get your favorite caps at your door steps.

Baseball Cap

Baseball Cap came into existence with the Baseball Game itself. Base Ball Game become popular from the start of mid 1700's. However the Cap culture in Base ball came into existence in 1800's. It was in 1860, that the Base ball team named, Brooklyn Excelsiors, wore cap with round top and pointed sharp front in order to prevent Sun rays hitting the eyes of the players. The whole team wore the cap and they became popular for not only their game but also for their Caps. Later the caps were designed in many other designs and popularity started with the wide spread popularity of Base ball caps in the whole of United States.

Some interesting figures might pull your attention regarding Base ball caps.

Around 43, 750, 000 number of caps are sold in United States in a year...

Annual Hat sales revenue comes to around, \$ 2, 153, 000, 000 ...

Interesting facts! Isn't it ???!

We at Kapture Headwear are fully equipped and trained in order to accept Bulk orders and provide your orders at your door steps anywhere in the world.

Our BASEBALL CAPS are manufactured with the imported material and we manufacture the caps with full caution and care. Our motto is to deliver style through perfection and are fully trained and equipped to accept orders in bulk.

So, What are you waiting for, Inquire Us today !! and cherish the Cap Culture at your place.

We are Simply the Best Headwear manufacturers and we are here to introduce the “Cap Culture”

Our Motto is Quality with Perfection !!!☺

Baggy Cap

Baggy Caps became popular and came into existence in mid 1800's. They were declared as officially Australian Cricket Headwear. Many designs and forms came in the form of Baggy Caps. Actually Baggy Caps saw tremendous popularity among cricket players of Australia.

They have unique designs and the fabric is mostly woolen in nature. Soon they were named as Baggy Cap and it started its own culture in the headwear apparels.

In present times, Baggy Caps have crossed the boundaries and are manufactured and wore by many players across the world.

Kapture Headwear is proudly associated with Baggy Cap Culture. We manufacture Baggy Caps in state of the art factories located in Mumbai.

We generally take big or bulk orders and are capable enough to manufacture, supply and sale across the world.

WE STRONGLY BELIEVE IN OUR MOTTO: to create “Cap Culture” with passion of style with perfection.

Panama Hats

Panama hats are mainly the hats which came into existence during 1500s. People of Ecuador, used to weave the straw into a special class of hats, which later became popular as Panama Hats. It was the Americans who explored Ecuador and brought the panama hat culture across the America and later the whole world.

Nowadays Panama Hats are manufactured from different materials and are supplied to different parts of the world.

The main origin of these classes of hats is Ecuador and not panama. Americans thought that these caps came from panama, and put its name as it is. However, this is mainly a misinformation.

Panama Hats are manufactured at Kapture Headwear.

We are equipped with latest machines and technology and are highly trained in order to handle bulk orders.

With center at Mumbai, we manufacture and supply the caps all across the world. We have our own custom build factory with latest tools and techniques.

Our motto is to supply, “Style with Perfection” and are fuully accustomed to build your order on time and deliver it in the given TAT.

Inquire Us!! Today and create the culture at your place, which we clearly believe in, and that is, the “Cap Culture”

Trucker's Cap

Trucker's Cap is becoming the most popular headwear among the youngsters and urbanites across the world. More and more people are liking the style and fashion symbol which the truckers cap hold these days.

However, the actual origins of truckers cap, came into existence in late 1700's and mid of 1800's when American companies used to give away caps as promotional headwear to the rural populace in rural America.

As the style and comfort of these caps were widely accepted by the farmers and rural people, soon it became hype in the early days.

More and more companies started giving such caps with stylish layout to farmers and rural people.

Nowadays, Truckers caps have become popular among the companies and corporates.

It is now used as widely accepted and beneficial promotional headwear across the world.

We at Kapture Headwear, are equipped with latest technologies, so that, we can manufacture the Truckers cap of your choice and supply it at your doorsteps.

We strongly believe in concept of selling style with perfection.

Located in Mumbai, we are team of technicians and professionals who keep customers always first and foremost.
